

Welcome to Bright Beginnings Learning Center!

Registration for Fall 2022 began in February, and we will continue to register new children over the summer until our classes are full!

Please complete all registration forms and bring them to BBLC. If no one is in the BBLC office, you may leave your paperwork with the front desk. If possible, please bring a copy of your driver's license and insurance card. Your spot for enrollment will be secured once we have received your registration payment.

All documents must be completed and in your child's folder by the first day of school, August 16. This includes well statements, immunization records, and vision/hearing screenings (4-year-olds).

All children attending BBLC are required to be up-to-date on required immunizations. If your child is on an alternative immunization schedule, we will need documentation and the physician's signature. If your child will turn 4 by September 1, we will need a report from a recent vision and hearing screening.

Classes will be formed based on enrollment and determined by your child's birthday:

- 18 months-2 years by 9/1/22
- 3 years by 9/1/22
- 4 years by 9/1/22

We are looking forward to another wonderful year of experiences with your children!

Blessings,  
Bright Beginnings Learning Center Staff
